Dear Resident / Business Owner

IMPORTANT INFORMATION

SOUTH ROAD UPGRADE / ANZAC HIGHWAY UNDERPASS – SECURITY UPGRADE

As the construction contractors (AdelaideConnect) for the South Road Upgrade / ANZAC Highway Underpass, we wish to advise you that from 1 August 2007, a private security firm will be replacing the Police Security Services and will be on site, 7 days a week from 7pm to 7am.

Security personnel from the Filcon Safety Group will be monitoring activities on the western side of South Road between Forest Street Glandore and Tennyson Street Kurralta Park. Particular attention will be focused on locations where property boundaries face on to empty blocks following recent building demolitions.

Construction personnel will be working on site during day time hours and will continue to monitor activities on construction sites during these times.

Residents and businesses are encouraged to:

- call the police on 13 14 44 for immediate police attention;
- phone the Filcon Safety Group on mobile number: 0415 651 883 between 7pm and 7am seven days a week, if any undesirable or suspicious behaviour is observed; and
- contact the Project Enquiry Line on 1800 334 439 during day time hours seven days a week for general security and other project related enquiries or issues.

You will continue to receive updated information, should these new security arrangements change.

Thank you for your continued co-operation in this matter.

Yours sincerely
