

2 August 2007

Dear Resident / Business Owner

**SOUTH ROAD UPGRADE /ANZAC HIGHWAY UNDERPASS PROJECT- SITE ACCOMMODATION WORKS**

I wish to advise you that new site offices will be erected at four different locations over the next couple of weeks, starting from Monday 6 August 2007. These pre-fabricated buildings will be used to accommodate construction personnel and equipment while underpass works are in progress over the next two years.

Locations include:

- Main office on cleared land off South Road, between Mortimer and Basnett Streets, Kurralta Park.
- Site office on the former BP site, corner of ANZAC Highway and South Road, Glandore.
- Satellite office on cleared land off South Road and on the corner of Forest Street, Glandore.
- Satellite office on cleared land off South Road and on the corner of Tennyson Street, Kurralta Park.

Trucks carrying portable buildings will be travelling back and forth to these locations during day time hours over the next week. Some temporary access restrictions may occur in local side streets and on South Road at times when trucks are off-loading the building materials. Where possible, truck movements on side streets will be kept to a minimum and South Road used as the main access point for vehicles. No major disruptions or noise impacts are expected to be created by this activity.

Project personnel will be on site at these locations from late August 2007.

If you have any enquiries or would like further information, please contact the Project Enquiry Line on 1800 334 439 or visit the website [www.adelaideconnect.com.au](http://www.adelaideconnect.com.au).

Yours sincerely

Paul Teakle  
**Project Manager**
