Dear Resident / Business Proprietor

IMPORTANT INFORMATION – PLEASE READ

***SOUTH ROAD UPGRADE / ANZAC HIGHWAY UNDERPASS
PROJECT – TEMPORARY CLOSURE OF TYSON STREET AT
SOUTH ROAD***

I wish to advise you that Tyson Street Ashford will be temporarily **CLOSED** to traffic at South Road from Friday 27th March 2009 for a period of approximately 6 weeks.

This temporary closure is required to re-construct the eastern side of South Road to form the new southbound exit ramp. Asphaltting, kerbing and footpath works will progressively take place on South Road, between Herbert Road and the intersection during this period.

Residents of Tyson Street will be able to gain access to ANZAC Highway via Waltham Street or Farnham Road and to South Road via Farnham Road and Everard Avenue, while works are in progress.

Signage will be place advising motorists of these temporary access restrictions. Additional signage will also be in place at the Home Ideas Centre car par exit, advising customers that **RIGHT OUT ONLY** access onto Tyson Street will be available.

Once these works are completed, South Road will be in its final traffic alignment in this location.

I sincerely thank you for your co-operation while these road works are undertaken. If you have any further queries please do not hesitate to contact the Project Enquiry Line on: **1800 334 439**.

Yours sincerely
